

Down at the bottom of the garden Summer 1 2024

Grown ups please **do not** share this with your children just yet! Please try not to not read these books at home as we will be looking at them in school.

Talk4Writing

We will observe our natural environment looking at seasons, growing and planting.

We will look closely at how things grow, how we need to care for things and grow things in our garden to observe.

Key words in our topic:

- Growing
- Planting
- Seasons
- Weather

Down at the bottom of the garden Summer 1 2024

Questions to support learning at home

What season are we in? How do you know?

Can you talk to me about how we plant seeds? What do we need to do?

**How do we look after living things such as plants?
How do we help them grow?**

Can you talk to me about Jack and the Beanstalk?

Did Jack make the right decision cutting down the beanstalk? (moral dilemma)

What is the weather like? What clothing do we need to wear?
