Discussed our safe hands for trusted adults. Some classes had redone them for the new children. Mrs Boyce asked the council to ask the teachers for a refresher lesson on trusted adults.

One class knew all about internet safety. Mrs Boyce might ask the class to do an assembly.

School council discussed how we can help keep the school clean:

- Litter pick on the field
- Put equipment away
- Put chairs away in the hall
- Tidy the wellies
- Flush the toilets
- Put only loo roll in the toilets
- Use the bins
- Pick things up of the floor
- Clear up the spillages

Can you add anymore ideas?

What shall we do to raise money for the RSPCA? Please vote:
