

20th May 2024

Apologies

Clay Evie

Present

Grace Motayo Matilda Noah Maya Flora Jack K Arthur Harley Freya Reed Robyn Aidan Willow

The classes have voted for the Bring a cuddly toy to school in your home clothes. Bring a donation for the RSPCA.

We talked about the answers to some of the amazing questions that the children have asked

Grownups drive to school because they live too far away to walk or because they have a lot to carry or because they have to go somewhere after school

We talked about the red and green lanyards that the staff wear. Please explain to the children what they mean, All children need to know why some are red.

We discussed keeping a waterproof in your bag even on hot days

We talked about lunch times and how this is time that the grownups who don't work at lunch time can have a rest or catch up with staff members.

Starling Class had some great questions

We choose some for you to think about

- Why do we have a school uniform
- Why do we have lunch here but not our tea?
- Why does the lunch menu change
- Why do we have to learn so much stuff?

This week's big question:

What does learning mean?

to get to know or gain knowledge of through study or experience.

She learned the craft of weaving from her grandmother

Reed – try your best

Jack K – you'll need to write

Willow – Teachers tell you what things mean

Robyn – Knowledgeable about learning things

Aidan – new sounds

Harley – get everything into your brain

Noah – learn our words

Flora – learn about knowledge

Class Council Questions

Big question what does learning mean??
